PROCEDURE:

1. As part of our commitment to the clients we serve and to ensure a culturally competent workforce, FPoCF conducts a workforce analysis on an annual basis to determine if staff in direct services adequately represents the service population and local demographic information.
2. As part of this commitment, the FPoCF also requests this information from its partner and provider agencies.
3. On an annual basis, partner and provider agencies will provide their individual workforce analysis to the Family Partnerships of Central Florida Director of Contracts and Compliance.
4. This data will be consolidated and presented to the Executive Team for review to determine if there are gaps or needs in staffing requirements for the System of Care.
5. Based on the analysis, the FPoCF and its partner and provider agencies meet to discuss the results and develop a comprehensive plan to establish recruitment goals and timeframe targets to address any areas of under representation of staff to the service population.
