

Annual Golf Tournament

Friday, April 18, 2025
Eagle Creek Golf Club, Lake Nona

It's all about the kids! Join us at **FORE OUR KIDS**, an exciting golf tournament that unites businesses, executives and volunteers for a day of fun, golf, prizes, food and fundraising. And it's all to support **one mission** — ensuring that children, teens and young adults have the loving families they need and deserve and a path to a bright future.

Course

Eagle Creek Golf Club is a unique course collaboration that blends the best of European design with state-of-the-art American technological innovation. Designed by world-renowned golf course architects Ron Garl and Howard Swan, Eagle Creek is an 18-hole, 7198-yard, Par 73 championship course with five sets of tees for golfers of all skill levels. Eagle Creek is Florida's first golf course to use the Mini-Verde grass, resulting in exceptionally fast and vibrant greens.

What We Do

At Family Partnerships of Central Florida, we believe all kids deserve to grow up in safe, stable and loving homes. As a recognized leader in child welfare services, we begin by helping Central Florida families overcome the root causes of abuse and neglect through prevention programs and assistance accessing needed resources. When children can't remain safely in their homes, we support them through foster care, adoption, independent living and beyond to ensure that they have path toward a bright future.

Included with Registration

Range balls, green and cart fees, continental breakfast, lunch, awards and prizes, one drink ticket per player.

How We Do It

Our commitment to keep struggling families intact and improve outcomes for children, teens and young adults extends beyond the scope of traditional child welfare services. Guided by a single vision, Family Partnership works with a network of organizations and businesses to secure resources that ensure our children, youth and young adults have the programs and support they need to grow into successful, independent adults.
