

# Our Impact Areas

Family Partnerships Foundation creates opportunities that help transform the lives of Central Florida children and youth experiencing foster care so they can grow into thriving, independent adults.

That mission and those who support it make a difference in three important areas.

## PREVENTION

We provide support and programs that strengthen families so children can remain safely at home. We focus on a family's food and housing resources, mental and physical health, education, finances, safety, and more.

## IN-CARE SUPPORT

We help our children and youth feel less displaced and achieve a sense of normalcy as they enter and experience foster care.

## INDEPENDENT LIVING

We strive to provide a permanent family for every child, but when that's not possible, we give our youth the tools and support they need to become successful, independent adults.

## THRIVING ADULTS

Our priorities ensure the children we serve have the stable, loving homes they need and deserve and a path to a bright future
