It's all about the kids! Join us at **FORE OUR KIDS**, an exciting golf tournament that unites businesses, executives and volunteers for a day of fun, golf, prizes, food and fundraising. And it's all to support **one mission** — ensuring that children, teens and young adults have the loving families they need and deserve and a path to a bright future.

## Course

Eagle Creek Golf Club is a unique course collaboration that blends the best of European design with state-of-the-art American technological innovation. Designed by world-renowned golf course architects Ron Garl and Howard Swan, Eagle Creek is an 18-hole, 7198-yard, Par 73 championship course with five sets of tees for golfers of all skill levels. Eagle Creek is Florida's first golf course to use the Mini-Verde grass, resulting in exceptionally fast and vibrant greens.
