

1. Has the number of children served through the Seminole County system of care remained relatively stable since March 2025 (the data provided in the ITN document)?
  - Yes, the number of children served continues to decrease in Seminole county.
2. Will the CBC or the case management agency be responsible for payment for initial and renewed child welfare certification costs for staff?
  - Yes. That cost can be included in the budget.
3. Will any vehicles be transitioned to the new provider or should the provider plan on arranging for securing program vehicles?
  - No. Program vehicles are not currently part of the CMA program and will not be funded by the contract resulting from this RFP.
4. Just to clarify, client service dollars will be available to the provider and should or should not be included in the proposed budget?
  - Client Service Dollars will be available to the provider and should not be included in the proposed budget.
5. For supervisor professional qualifications, the ITN document indicates “Provider staff performing supervisory functions shall have a master’s degree in social work, counseling, or a related field and a minimum of two years of experience with at-risk youth and families. A bachelor’s degree may be considered along with exceptional experience/training in an *independent/transitional living program*.” Can a bachelor’s degree and exceptional experience/training in *child welfare related programs* also meet these requirements?
  - Yes
6. The RFP mentions providing Independent Living Services for children over 18 and providing Family Team Conferencing services, as well. Would the intention be for those services to be provided by traditional case managers?
  - The CMA is primary on the case for children under 18. The over 18 population is served by the in-house FPOCF IL team, not case management.
  - Family Team conferencing for children under the age of 18 would be provided by case management.
7. Will the case management provider utilize their own network for email/systems, or will the provider be assigned to the CBC network?
  - Case management provider will utilize FPOCF network, FPOCF email, FPOCF Microsoft 365 E3, FPOCF standard software, FPOCF security, and will be fully supported by FPOCF IT.
