### Statement on Environmental Conservation

FPOCF recognizes the importance of conserving natural resources and the need to act responsibly in the use of those resources. The utmost priority is given to the children and families served. FPOCF strives to identify and purchase environmentally preferable supplies and services for daily operational needs and for company events where appropriate and economically feasible. Wherever possible, FPOCF actively engages in ways to conserve energy, reduce waste, and promote recycling and re-use within the organization.

Approved by Family Partnerships of Central Florida Board of Directors on May 28, 2026.
