Sunshine Health's Mobile Clinic will be partnering with Family Partnerships of Central Florida and Timber Creek Pediatrics to help Sunshine members get back on track with their care. We're bringing services to the community to make it easier for children and families to stay healthy.

At the mobile clinic, members can get complete their annual well child visits and other preventive care services with the on-board doctor from Timber Creek Pediatrics. Our goal is to make care more convenient and support parents in keeping their children up to date on the care they need – close to home.
